BRING THINGS UP TO DATE

It has been a busy year and with most schools closing 30 June for school holidays, Dynamic Personnel wishes you a good rest. We would also want to ask you to send us any supporting documents which might still be outstanding, as to avoid any delays in offers of employment being finalized, especially as we are so close to the beginning of the new academic year.

Schools wish for candidates who have / are accepting offers of employment, to be available to arrive by 15 August 2017. Do let me know if you can have your notice period shortened in order for us to still put your application forward for possible placement this year August.

We anticipate to receive a few last minute vacancies between August 2017 and March 2018, thus do proceed in completing your profile with us, especially if you can give 1 – 2 weeks’ notice during this period.

The Dynamic Personnel team is looking forward to having you on board, if you’re not already there !
