## CURRENT VACANCIES & 2022 / 2023 VACANCIES

Although the academic year is well on its way, we are still being approached by our Client Schools all over the Middle East to assist them in finding candidates that are still willing to be placed.

Current vacancies include:- KG Teachers, Grade 4 & 5 Homeroom Teachers, English Teachers, Foundation Phase Teachers, Mathematics Teachers, College Counsellors and many more positions opening up on a weekly basis.

A Client School in Kuwait is also offering a number of “Unassigned” teaching positions. An unassigned teacher will serve as a support teacher that stays "on the bench" until a slot opens up. These teachers will support any grade levels and be appointed to any grade level or campus where needed.

These positions will be interviewed for from January 2022 onwards and we call all versatile teachers who can easily adapt to change to apply for these positions.

To apply, register here: <https://dynamicpersonnel.co.za/application-form/>

THOUGHT FOR THE MONTH

True teachers  
use themselves as bridges

over which they invite their students to cross

then, having facilitated their crossing  
joyfully collapse, encouraging them  
to create bridges  
of their own.
