

# DECEMBER 2021

## NEWSLETTER

To all our Dynamic Teachers:

As 2021 draws to an end, we at Dynamic Personnel would like to take this opportunity to thank all our teachers for their continued support.

This year has been very tough and it goes without saying that the pandemic has had a huge effect on us all. We thank you all for walking this very uncertain road with us and being willing and available to adjust to the new “normals” that are thrown our way.

We thank you for entrusting your future placements with us and we are hopeful that 2022 will bring many new opportunities and that those who have not yet been placed will secure positions.

May you and your families be safe during the festive season and we trust that 2022 be a great year for us all.

All the best and season's greetings.

Kind Regards  
Dynamic Personnel Team
